Experience the exceptional.

CONSTRUÍDO EM PLYMOUTH

A bordejar do alto do Canal da Mancha encontra-se a cidade de Plymouth, onde nos estabelecemos em 1965. Presentemente, os estaleiros Princess abrangem uma área superior a 10,2 hectares, uma área rica na tradição marítima britânica. Na verdade, South Yard, onde são construídos os nossos iates Super Flybridge da Classe X, é um antigo estaleiro naval que remonta ao séc. XVII. Desde o início, o nosso objetivo tem sido esculpir meticulosamente os nossos iates a pensar no prazer que os nossos proprietários tiram deles. Esta dedicação e cuidado com os pormenores têm um impacto profundo junto dos nossos artífices de Plymouth.

Mais de 3000 pessoas, sendo todas elas especialistas na respetiva área, concretizam com exigência esta visão nos nossos estaleiros. Através de uma cultura de inovação, os nossos iates não só são dos mais avançados tecnicamente a nível mundial, como também são os de conceção mais bonita.

A EXPERIÊNCIA DE PERSONALIZAÇÃO

Cada iate na faixa da Classe Y é único. Começamos com uma plataforma inspiradora, combinando luxo e desempenho, com foco em um detalhamento meticuloso. A partir daí, cabe então a você criar seu iate final com uma variedade de opções de layout e uma requintada seleção de interiores projetados, contando com a orientação especializada do Estúdio de Design da Princess. É esta viagem que faz com que a Classe Y seja tão sedutora. Um iate refinado com design engenhoso, e uma experiência emocionante e personalizada por você.

Y CLASS

Descubra um mundo de embarcações a motor genialmente fabricadas para captarem a sua imaginação. Envoltentes meticulosamente detalhadas, com acabamentos nos melhores materiais, banhadas em espaço e luz, criam um diálogo irresistível em todas as áreas da embarcação. Uma experiência sofisticada com a capacidade de entusiasmar.

Y 95

O navio principal da nossa gama da Classe Y – o novíssimo Y95, foi construído com ênfase no desempenho e um estilo inspirado. Com a mais recente forma de casco e uma eficiente proa que corta as ondas, oferecerá um comportamento de navegação líder na sua classe, atingindo velocidades até 24 nós. Com uma garagem espaçosa e plataforma de banhos transformável e a opção de um conceito de “clube de praia”, garantimos o máximo de diversão no tempo passado na água. O estilo exterior avançado inclui as mais longas e mais abrangentes janelas de casco alguma vez instaladas num iate Princess, enquanto as espaçosas áreas de estar interiores e exteriores são comparáveis às de embarcações de maiores dimensões.

Aguardam-no opções de disposição configuráveis em toda a embarcação e uma nova comunicação de design interior, com o aconselhamento do seu próprio Consultor de Design Princess para ajudá-lo a estabelecer a sua ideia. Com um volume interior comparável ao de iates de maiores dimensões, o convés principal inclui um camarote do proprietário a toda a largura da embarcação com escotilhas de gaiúta e está complementado por mais quatro cabinas para convidados, com casa de banho privativa e bem equipadas. A acomodação ampla para a tripulação inclui uma cabina para o comandante com casa de banho privativa e cama dupla.

Impossível não reparar, o novíssimo Y85 é sem sombra de dúvida um Princess.

Na coberta, é possível instalar até oito convidados em quatro cabinas totalmente equipadas e com casa de banho privativa. A meio-navio, o camarote principal a toda a largura da embarcação é um campeão de design espacial, enquanto a cabina VIP com casa de banho privativa, na proa, inclui uma cama de casal de grande dimensão e um quarto de vestir. Além disso, uma cabina dupla e uma cabina individual (transformável em dupla) completam a espaçosa acomodação.
